Dear InterNACHI Member,

We are pleased to invite you to join the National Association of Entrepreneurship Inspector Network. NAE will be recommending its network members to its 6,000-plus Primary CEO members. NAE's membership reaches the entire United States, and represents every industry.

Over the last several months, we've been working with InterNACHI's leadership to make this program possible. Their commitment to excellence has led us to make this exclusive program selection.

Here is the best part: your network participation is entirely free. All you need to do is fill out the enclosed form, and return it to us. NAE trusts that you will provide the highest quality service to its members, who will contact you directly for inspection engagements.

If you wish to participate in the network and provide inspection services to NAE's members, please join today. Again, welcome to the network. Please visit our website for additional NAE information.

Sincerely,

Mark Horning
Director of Communications
