RE: Inspector renewal course approval

Dear Mr. Farsetta:

Our records indicate that the National Association of Certified Home Inspectors is a professional trade association which offers inspector courses.

We will accept course completion certificates from students who complete the inspector course listed below.

Certified Commercial Inspector 8 hours inspector renewal

Each student seeking credit from our agency must provide a course completion certificate that includes the name of the education provider, the number of classroom hours, the name of the course completed, the course completion date, the student's name, and an authorized signature.

If you have any questions, please contact the Education Staff at 512-465-3981.

Sincerely,

A handwritten signature in cursive script that reads "Margarita White".
