Special InterNACHI Meeting**

**“INFARED AND THE HOME INSPECTOR -
How to Make Money using Infrared Thermography!”**

Florida InterNACHI and Infraspection Institute are pleased to announce a special *free* meeting for all InterNACHI members at IR/INFO 2008. This conference is a MUST for everyone who wants to start and/or maintain an effective Infrared service business.

Registration
2:00 pm

Exhibitor Showcase
2:30 pm - 3:15 pm

The Exhibitor Showcase will include the leading manufacturers, distributors and service providers in the Infrared industry and much more.

Free InterNACHI Seminar
**“INFARED AND THE HOME INSPECTOR -
How to Make Money using Infrared Thermography!”**
3:15 pm – 4:30 pm

An exclusive, no-charge presentation will be given to InterNACHI members by a certified Level III Infrared Thermographer. Your instructor will share first-hand experience and knowledge of starting, growing and managing a successful Infrared service program. This presentation will cover the basics starting your program, developing your market, touch on insurance issues and show how to make money using Infrared Thermography as a Home Inspector.

**This event is only available for InterNACHI members.
Space is limited we highly recommend early registration.
To register please email ir@assurancecheck.net.**

Infraspection Institute is pleased to offer several additional opportunities to InterNACHI members. Please check the following page for more information.

If you have any questions please call us at 609-239-4788.

IR/INFO 2008**

Additional Offers Available to InterNACHI

**Earn InterNACHI Continuing Education Hours
QST - NORMI™ Qualified Sampling Technician
4:30 pm – 7:00 pm**

Indoor Air Quality has become a hot topic because many customers are beginning to understand that there are problems associated with bad indoor air. The Qualified Sampling Technician (QST) will have training in the seven components of indoor air and learn how to address each. InterNACHI members who wish to attend this course at IR/INFO 2008 will receive three (3) InterNACHI approved CEU - NORMI credits.

The IR/INFO 2008 Special rate is \$99! (A savings of \$50)

**IR/INFO 2008
CONFERENCE SPECIALS**

InterNACHI members who want additional training or are unable to join us on Monday may take advantage of the following InterNACHI specials:

FREE LEVEL I TRAINING

Attend the entire conference for \$995.00, and receive a free voucher for a certified Level I Infrared Thermographer course taught by Infrasppection Institute, the leader in Infrared training. You will have access to four days of learning, networking and fun.

Attendees receive full access to all technical papers and presentations, Exhibitor Showcase, 5 Short Courses as well as meals and social activities. Please visit us at www.infrasppection.com/IRINFO.html for more details.

DAILY SPECIALS & SHORT COURSES

Join IR/INFO 2008 for the day - just \$99

Start your day with Continental Breakfast; spend time at the Exhibitor Showcase; hear technical presentations and papers presented by leaders who work in the Infrared industry; network with colleagues and experts during lunch (included); learn from Infrasppection instructors at the Short Courses.

To register please email ir@assurancecheck.net

It is the mission of Infrasppection Institute to assist all new and practicing Thermographers with educational events, training and support.

***We look forward to welcoming you
to the Infrared Community at IR/INFO 2008!***
